

SCENE - 1

VIJAY

Hey? Can you keep it a secret?

ROSHAN

I can try, but I don't trust Mira.

MIRA

(the door creaked as Mria
came in)

Guys! What are you doing in my office?

VIJAY

We came to submit the files you asked
for.

MIRA

(fell in the chair)
Okay, you're done? You may leave, now.

ROSHAN

(the door opened and shut as
they walked right out of her office.)

Trust me man, she's gonna get fried.

VIJAY

Counting on you.

MIRA

(over the phone)
I think they're on to something. You
better hurry. They are heading toward the lobby.

Near the lobby, two men hiding below the wooden staircase had their masks on, they pulled out Sig Sauers and mounted the silencers. Khushboo pulled Vijay aside, and put her fingers on his lips. An executive exited the opposite door and followed Roshan. They were going different ways, but fate had them bound together. Roshan didn't realize that Vijay had disappeared from the scene.

GHLPP! GHLPP! They were down. The men walked away. Khushboo and Vijay kissed in the closet of the spare room. Nonone knew when the men left the building.

A sudden scream, and everybody ran toward it to see what happened. People gathered around the bodies when Vijay and Khushboo pushed their way to the spot. Roshan and the other executive were lying lifeless.

VIJAY

Roshan! Roshan!

MIRA

(came running)

What happened? Why is he lying there?

She saw a pool of blood and two bodies. As she approached, she heard Vijay calling out for an ambulance.

MIRA

(looked terrified, taking out her phone, she shouted and dialed a number)

Shit! Call the police.

KHUSHBOO

(She noticed MIRA and pulled Vijay out of there)

Vijay, he is gone. We've gotta go, now!

VIJAY

I cannot leave him behind.

KHUSHBOO

He is dead. We will be, too, if we don't leave now.

In the confusion, Vijay couldn't think of anything. He followed her out of the building and they drove away. On the way, they saw two other cars speeding away from the scene.

KHUSHBOO

See them?

VIJAY

Who are they?

KHUSHBOO

The black ops!
